\* For LLB Law, students can choose to follow one of the following specialist pathways. The pathways do not lead to a named award, all degree certificates will simply state LLB Law, though the modules studied will appear on the transcript. The pathways are: Business, Criminal Law and Justice, International, Social Justice or Trade and Finance.

† For these courses, students that secure a 1, 2 or 3 semester placement can transfer to a professional experience pathway (additional placement tuition fee applies). This does not lead to a named "professional experience" award, but the non-credit bearing placement modules studied will appear on the transcript.

^ The Finance MBUS is studied on an accelerated basis, meaning that students complete four semesters back-to-back. There is a progression point after the first two semesters, i.e. between levels 6 and 7 of study, at which point a second tuition fee invoice will be raised if students successfully progress.
